

Inspire Education Group – COVID-19 Testing Privacy Statement

Ownership of the Personal Data

To enable the Covid-19 testing to be completed at Inspire Education Group, we need to process personal data for staff and pupils taking part, including sharing of personal data where we have a legal obligation. Inspire Education Group is the Data Controller for the data required for processing the tests and undertaking any actions which are needed by the college to ensure we meet our public health and safeguarding legal obligations.

For disclosure as part of NHS Test and Trace and wider public health measures, necessary for the performance of a public task: the public task of the NHS and public health authorities in controlling the spread of Covid-19;

Necessary for the performance of our public task as a college or university, which includes providing a safe learning and teaching environment and supporting you in your studies;

Necessary for compliance with legal obligation, i.e. where there is a legal requirement under the Covid-19 legislation to record staff and/or service-user data for Test and Trace purposes;

Necessary for legitimate interests, i.e. ensuring health and safety within the college/university environment. We consider that the scope of data being processed and the way in which we will process it means that our approach is proportionate and the legitimate interests are not outweighed by damage to the rights of the individuals.

Personal Data relating to staff and pupils is processed under the legitimate interest of data controller to ensure we can minimise the spread of COVID in a timely manner and enable us to continue to deliver education services safely and securely.

If you decline a test, we record your decision under the legitimate interest of Inspire Education Group in order to have a record of your decisions and to reduce unnecessary contact with you regarding testing.

The processing of special category personal data is processed under the provisions Section 9.2(i) of GDPR, where it is in the public interest on Public Health Grounds. This data is processed under the obligations set out in Public Health legislation (Regulations 3(1) and (4) of the Health Service (Control of Patient Information) Regulations 2002 (COPI)) which allows the sharing of data for COVID related purposes.

Ownership of the Personal Data you share with DHSC

Every time you use a lateral flow test you must report the results. More details can be found here - [Report a COVID-19 test result - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/report-a-covid-19-test-result). The Department for Health and Social Care (DHSC) is the data controller for the information that you transfer to them about you and your test results. For more information about what the DHSC do with your data please see their [COVID-19 Privacy Notice](#).

The Inspire Education Group remains the Data Controller for the data we retain about you for the management of tests and implementing local arrangements in the event of a positive test.

You should read both this Privacy Notice and the DHSC COVID-19 Privacy Notice to understand how your personal data is used prior to taking a test.

Personal Data involved in the process

We use the following information to help us manage and process the tests:

- Name
- Date of birth (and year group)
- Gender
- Ethnicity
- Home postcode
- Email address

- Mobile number
- Unique barcode assigned to each individual test and which will become the primary reference number for the tests
- Test result
- Parent/guardians contact details (if required)

We will only use information that is collected directly from you specifically for the purpose of the tests, even if you have previously provided us with this information.

How we store your personal information

The information will only be stored securely on local spreadsheets in college whilst it is needed. It will also be entered directly onto DHSC digital services for the NHS Test and Trace purposes. Colleges will not have access to the information on the digital service once it has been entered.

Processing of Personal Data Relating to Positive test results

The member of staff, student or parent (depending on contact details provided) will be informed of the result by the college and advised how to book a confirmatory test.

We will use this information to enact their own COVID isolation processes without telling anyone who it is that has received the positive test.

The information will be transferred to DHSC, who will share this with the NHS, GPs. PHE and the Local Government will use this information for wider test and trace activities as well as statistical and research purposes.

This information is processed and shared under obligations set out in Public Health legislation under Regulations 3(1) and (4) of the Health Service (Control of Patient Information) Regulations 2002 (COPI) which allows the sharing of data for COVID related purposes.

This information will be kept by the college for up to 14 days and by the NHS for 8 years.

Processing of Personal Data Relating to Negative test results

We will record a negative result and the information transferred to DHSC, NHS. PHE and the Local Government who will use the information for statistical and research purposes.

This information is processed and shared under obligations set out in Public Health legislation under Regulations 3(1) and (4) of the Health Service (Control of Patient Information) Regulations 2002 (COPI) which allows the sharing of data for COVID related purposes.

This information will be kept by the college for up to 14 days and by the NHS for 8 years.

Processing of Personal Data relating to declining a test

We will record that you have declined to participate in a test and this information will not be shared with anyone.

Data Sharing Partners

The personal data associated with test results will be shared with

- DHSC, NHS, PHE – to ensure that they can undertake the necessary Test and Trace activities and to conduct research and compile statistic about Coronavirus.
- Your GP – to maintain your medical records and to offer support and guidance as necessary
- Local Government to undertake local public health duties and to record and analyse local spreads.
